

# IONIQ 9

More details

# Built to Belong

IONIQ 9 introduces the longest wheelbase in the IONIQ lineup, with a responsive interior equipped within an aerosthetic design. All built to provide lounge-like comfort across all three rows for people to connect and belong.

# Exterior

The uniquely bold exterior blends seamlessly with the signature Parametric Pixel Lights, adding depth to the futuristic style.

Parametric Pixel Light Design

LED DRL & Positioning Lamps / Small Cube LED Projection Headlamps

**Bold Character Line**

**Boat-tail Inspired Design / Parametric Pixel Light Design**

Introducing innovative design, seamlessly integrating into the sleek profile and surfaces, captivating elegance and enhancing aerodynamic performance.

**Aerosthetic Silhouette**

Auto Flush Door Handles

Panoramic Sunroof

# Where innovation redefines space.

Travel together in superior spaciousness,  
equipped with innovative flexible features across all three rows.

\*This configuration is not available in Ireland.

Calligraphy 6-seater in Dark Teal / Dove Gray Nappa Leather

# Interior

Experience a new kind of spaciousness built into all three rows. Each row furnished with a wide selection of innovative features, all designed to immerse everyone in serene comfort.

Driver-centric Architecture / Ambient Mood Lighting

Interactive Pixel Lights  
Dual Automatic Temperature Control

Panoramic Curved Display (12.3-inch Cluster & Touchscreen ccNC)

Sit back and relax in lounge-like comfort in every seat inside IONIQ 9.  
Seamlessly blend privacy and togetherness through a variety of different seating options.

Tilting Walk-In Seat (7-Seater / 2nd-row)

Powered 3rd-row Seats (Folding / Reclining / 7-Seater)

Full-Flat (7-Seater)

Flexible seating arrangements, designed for belonging together.

## 7-Seater

Standard

6:4 Split Folding (2nd-row)

Full Flat Folding (2nd- & 3rd-row)

Flat Folding (3rd-row)

# Convenience

Introducing cutting-edge technologies built to deliver a responsive experience, catering to individual needs with a focus on enhanced comfort and connectivity.

Bilateral Multiconsole

Wireless Charger  
Open Tray

Independent Automatic Temperature Control (2nd-row)

Console Box (Top)  
Sliding Tray (Bottom)

Digital Center Mirror (Full-Display Rearview Mirror)

**Digital Key 2.0**

**Bose® Premium Sound System (14 speakers)**  
**OTA Software Update (Over-the-Air Updates)**

\* Features and specifications may vary by market. Please consult your local dealer.

100W High-Output USB-C Ports (1st-row)

100W High-Output USB-C Ports (2nd-row)

Outdoor Vehicle-to-Load (V2L)

Indoor Vehicle-to-Load (V2L)

# Performance

An innovative E-GMP platform, combining high-end battery system and aerodynamic design establishes the foundation for exceptional all-electric performance.

Maximum Power (kW) / Torque (Nm) **160kW/350Nm** RWD Long Range

# Charging

Big battery redefines the possibilities of electric mobility, combined with Ultra-fast charging to expand your everyday experience.

620km WLTP-estimate RWD, 20-inch wheels 110.3kWh Battery Capacity 24min Ultra-fast charge 10% to 80% (battery temperature 25°C)

Electric Charging Door

\* Motor specifications may vary based on regional regulations. Please consult your local dealer.

# Safety

Comprehensive safety features ensure a secure and serene driving experience inside IONIQ 9.

10 Airbags

Blind-Spot View Monitor (BVM)

Surround View Monitor (SVM)

Rear Occupant Alert (ROA)

# Hyundai SmartSense

## Forward Collision-Avoidance Assist 2 (FCA 2, Junction Turning)

Alerts the driver if the vehicle ahead is slowing down too quickly or if there is the potential for a forward collision with stationary vehicles, pedestrians, cyclists ahead, or approaching vehicles on the road, and activates the brakes in the event of an impending collision. Forward Collision-Avoidance Assist also brakes automatically to avoid an impending collision with vehicles or cyclists ahead on the road or approaching from either side while making a left turn at an intersection.

## Lane Following Assist 2 (LFA 2)

Lane Following Assist helps center the vehicle in the lane.

\* Advanced Driver Assistance Systems (ADAS) is designed to provide assistance with the operation of a vehicle, drivers must drive with caution at all times.

\* Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details.

\* Actual specifications may vary depending on the trim, powertrain and specifications selected.

26 \* Features and specifications may vary by market. Please consult your local dealer.

More details

#### **Blind-Spot Collision-Avoidance Assist (BCA)**

Blind-Spot Collision-Avoidance Assist (BCA) warns you if there is a risk of collision with a rear side vehicle in the blind-spot while changing lanes. When forward exiting a parallel-parking spot, if there is a risk of collision with a vehicle approaching from behind, it automatically assists with emergency braking.

#### **Lane Keeping Assist (LKA)**

If driving above a certain speed and the driver leaves a lane without the turn signal switch being operated, it provides a warning. When a lane departure is detected, it automatically assists with steering to help prevent leaving the lane.

\* Advanced Driver Assistance Systems (ADAS) is designed to provide assistance with the operation of a vehicle, drivers must drive with caution at all times.

\* Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details.

\* Actual specifications may vary depending on the trim, powertrain and specifications selected.

\* Features and specifications may vary by market. Please consult your local dealer.

#### Smart Cruise Control 2 (SCC 2)

Smart Cruise Control (SCC) helps maintain distance from the front vehicle and drive at a speed set by the driver. Automatically stops when the front vehicle stops and automatically starts when the front vehicle departs within a short time. If Emergency Stop is equipped, when SCC and LFA is activated and the driver does not hold steering wheel or not looking forward continuously, the vehicle slows down and stops in the lane with a warning.

#### Parking Collision-Avoidance Assist (PCA)

Reverse Parking Collision Avoidance Assist (PCA) provides a warning if there is a risk of collision with a rear object while reversing. After the warning, if the risk of collision increases, it automatically assists with emergency braking.

\* Advanced Driver Assistance Systems (ADAS) is designed to provide assistance with the operation of a vehicle, drivers must drive with caution at all times.

\* Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details.

\* Actual specifications may vary depending on the trim, powertrain and specifications selected.

28 \* Features and specifications may vary by market. Please consult your local dealer.

More details

#### Remote Smart Parking Assist 2 (RSPA 2)

Remote Smart Parking Assist 2 (RSPA 2) helps remotely park or exit a parking spot. It automatically assists with steering, accelerating, decelerating, and shifting using the vehicle's sensors. It automatically assists with braking when an object is detected in the vehicle's path. The driver can perform "Remote Parking" or "Remote Operation" using the smart key when the driver is outside the vehicle. The driver can perform "Smart Parking/Exit" using the button inside the vehicle.

#### Forward/Side/Reverse Parking Distance Warning (PDW)

Forward/Side/Reverse Parking Distance Warning (PDW) warns against collisions with objects around the vehicle at low speeds.

\* Advanced Driver Assistance Systems (ADAS) is designed to provide assistance with the operation of a vehicle, drivers must drive with caution at all times.

\* Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details.

\* Actual specifications may vary depending on the trim, powertrain and specifications selected.

\* Features and specifications may vary by market. Please consult your local dealer.
